Dear Sir:

Applicant notes with appreciation that the present case stands allowed (see Notice of Allowance mailed January 14, 2010). However upon careful review, Applicant has discovered an apparent informality in the application file record wherein the Information Disclosure Statement timely and properly filed on December 22, 1999 has not been made of record. For your convenience, a copy of the Information Disclosure Statement is attached herewith.

As the Examiner is required to review the art cited in the application in a properly filed Information Disclosure Statement, Applicant believes that the art has been reviewed but that the Examiner inadvertently neglected to note as such. Accordingly, Applicant respectfully requests that the file record be amended to provide a clear record that the art cited has been considered by the Office. Thus applicant requests the Examiner make of record that the prior art cited in the Information Disclosure Statement filed on December 22, 1999 in the application has been considered.
